Dear SAGE Farmers Market Stall Holders

At last, we have drafts of our SAGE Farmers Market (SFM) Rules & Regulations, Code of Conduct and Stall Holder Application Form.

We are distributing them today to allow our existing stall holders time to absorb them and consider how this might affect or impact your business or enterprise.

A discussion and feedback session will be held in 2 week's time, following the Tuesday market that week (2nd April), at approximately 6.00pm. I encourage you all to attend to have your chance to respond to these draft documents. We are holding this session in the spirit of cooperation between the SFM Committee and the stall holders, so we hope that you will come along and contribute in a constructive way to the discussion.

The documents will be finalised shortly after that date, at which time, we will require all stall holders to complete and sign the SFM Stall Holder Application Form. This will formalise our existing arrangements and will give us all a solid framework within which we can continue to develop the potential of this market.

Promotion and publicity of the markets will be gearing up by that time as well and we hope you will continue to see strong trade in the months ahead.

Regards,

Kate Raymond
