To all SAGE Farmers Market Stall Holders

### “Our Shared Table” Fundraiser 22 October 2013

The committee would like to thank everyone who contributed to the event last week. It was received really well and we raised \$225, only just short of our target.

Sandra served at the stall for us and reports that people were really impressed by the initiative and the food that was on offer. Given the shortage of human resources to work on it, as most of the committee was away or is a stall holder, I think it was an achievement just to make it happen.

If we do it again next year, we hope to raise a lot more and leverage a lot more publicity from it. Market-goers certainly loved the cause and loved the connection to local food and growers. Did anyone see the article in last Friday’s paper?

### New Stall Holders

For those who may not have noticed, we have had a number of new stall holders join us in the last few weeks. Welcome to you all and I hope the market is a profitable experience for you.

- Earth’s Sake Vegetables (Deua)
- Redhouse Chocolates (Moruya)
- Merry Maidens Veggies (Milton)
- Sapphire Coast Producers Assoc – a shared stall for up to 3 SCPA members each week
- Upriver Garlic (Deua)

I think we can expect to see new faces on a regular basis from now on, as we head into the warmer months. As demand for space increases, I will start to be a little more strict on the space stall holders can occupy, so please keep that in mind. Once the main avenue is full, we will extend westwards along the central perpendicular path, but only after all spaces on the main stretch are generating maximum revenue.

As always, if you need to discuss anything with me, feel free to approach me at the market, or contact me anytime (details below). Our committee members are also available at any time and you can find contact details for them on our website.

Your stall holder representatives on the committee are Isabelle (A la Table d’Isabelle) and Jock (Congo Sourdough), if you would prefer to discuss any issues with a fellow stall holder.
