

12 May 2015

To all SAGE Farmers Market Stall Holders

Next SAGE Farmers e-Market training

There are a number of e-market producers who have not yet undertaken any training on how to manage their products online themselves. The next training session has been booked for next week and I strongly urge you to attend, as I'm not sure when the next session will be.

Date: Thursday 21st May 2015

Time: 1.00pm

Place: Eurobodalla Shire Council training room
Entry via Campbell Street, Horizon Credit Union entry

The e-market is open to any stall holder at the SAGE Farmers Market. If you would like to start trading online, please let me know and I'll get you started.

SAGE Farmers e-Market Producer Rules etc

If you are an e-market producer, you will receive a copy of the draft Terms of Use, Code of Conduct, Application Form and Photography Policy. Yes, this should have been taken care of before the e-market launched, but it was all rather chaotic at the time and the workload was very high. Please read through these documents and provide any comments or feedback. They will be adopted at the next committee meeting and I will then be asking all e-market producers to complete an application form, making it all official.

ABC delicious. Magazine Produce Awards

Our application has been submitted and the three national finalists will be announced on Thursday 21st May. Only 9 more days to wait!!

Previous Stall Holder Notices

Just a reminder that if you have missed any stall holder notices, they are all available for download on the website at sagefarmersmarket.org.au/stall-holders.

That's it for now.
